

This November 4th Elect Daniel Jerome McCarthy Mayor of San Marcos

As a resident of Hays County for 14 years, I know the issues that are important to San Martians and Texas State Students.

Together, we can confront the challenges facing one of the fastest-growing cities in Texas. I pledge to maintain openness, transparency, and integrity and work to increase active involvement in our community. We need new leadership that brings fresh ideas for San Marcos' future.

Early voting starts Oct. 22nd @ the LBJ Student center on campus and continues the 23rd, 29th and 30th of this month!

The McCarthy Plan: The New Way Forward

PROTECT our watershed from overzealous developers and take back our water rights, **and our energy future** with solar panels on every city building, saving the City hundreds of thousands of dollars a year.

END the 'brain drain' to Austin/San Antonio by encouraging or even helping promising grads become property owners **IN SAN MARCOS**

STOP lining developer's pockets with **YOUR** tax dollars and promote the unique identity of San Marcos, instead of receding into placelessness.

EXPAND bike paths with the energy savings and maintain our already-build roads, giving everyone more room and preventing accidents.

BRING HIGH-PAYING JOBS TO SAN MARCOS through emerging green tech, light industry, and the arts - such as the film business.

PROTECT PROPERTY OWNERS by changing "Single Family" zoning language which discriminates against many residents.

SOLVE the parking problem in downtown San Marcos by attracting a company's HQ to locate here and build self-contained parking for use by the public in the evenings, and by building another with solar energy savings.

BALANCE the city budget and cut wasteful spending.

IT IS UP TO YOU TO ENSURE YOUR MAYOR AND CITY COUNCIL REPRESENT YOUR INTERESTS. THEY ARE ELECTED TO REPRESENT THEIR CONSTITUENTS. THE MAYOR AND CITY COUNCIL DON'T OWN YOU, THE CITY, OR ITS TREASURY. YOU MUST HOLD THEM ACCOUNTABLE. PLEASE VOTE ALL THE WAY DOWN THE BALLOT FOR DANIEL "DAN" MCCARTHY FOR MAYOR ON NOVEMBER 4TH
